

Your clients have lots of property questions.

With a Housefax Report, you'll have the answers at your fingertips.

Real estate pros benefit from Housefax!

- Build trust and confidence
- Differentiate your business
- Become THE local market expert
- Cut home research time in half

There's only one Housefax.

Housefax performs a nationwide search of millions of property records and instantly compiles them into a single, comprehensive Property Report that provides unique, valuable information for real estate professionals and consumers.

Information speeds decisions.

9 out of 10 home buyers prefer a listing that comes with a Housefax Report, speeding home purchases.

Let's work together.

A Housefax Report is included with every inspection!

Housefax reports provide a wealth of information:
